

## September 13<sup>th</sup> Children's Lesson—Elementary lesson

Talk about it: Name the most *special* that belongs to you:

→ How do you take care of that thing??

In our children's moment Miss Rachel said we belong to God. If something belongs to you, and it is ***really*** special to you then you will take really good care of it. (if you have not watched the children's moment you can do so on the Bakerstown YouTube page

*Think about it:*

*You probably have a lot of things that belong to you.*

*Your socks belong to you! and so does your dog...But you probably take a lot better care of your dog than your socks.*

*Well God made **everything**--- everything belongs to him but the most special thing of all that belongs to him is **YOU!** (you are more important than socks...whooo hoo!)*

Below, write down one thing that makes you feel special and one things that does not make you feel special?

Something that makes me feel special	Something that does not make me feel special

How does it make you feel to know that you are the most special thing that belongs to God?

**Read the Bible: Romans 14:8** "If we live, we are living for the Lord. And if we die, we are dying for the Lord. So, living or dying, we belong to the Lord."  
Romans 14:8

## **Activity option #1 creative activity:**

*Materials needed: sidewalk chalk or butcher paper, markers and paint*

Do this activity with your family. You will make outlines of each other's bodies. Do this either outside with sidewalk chalk or a roll of butcher paper and a marker. Take turns laying down and drawing an outline of each other using sidewalk chalk. Then talk together about one unique thing about each person (what makes that person special... try to do this for each other rather than for yourself)

Write down each person's unique attribute next to their outline.

## **Activity option #2 creative activity:**

*Materials needed: printable child of God cards*

Print out the I am a Child of God cards attached in this document. On the back write your name. Place them throughout your house to remind yourself that YOU ARE SPECIAL, YOU ARE LOVED.... YOU ARE A CHILD OF GOD!!!!
